SENATOR DICKINSON: Alright. Senator Lewis, then based on this do you think we need some control on this level to see that this does not happen?

SENATOR F. LEWIS: We have built those controls in. That's why the committee wrote section 17.

SENATOR DICKINSON: Then you do think we need controls?

SENATOR F. LEWIS: I believe . . . I feel like you're developing some of Cavanaugh's techniques.

SENATOR DICKINSON: I have . . . OK Senator Lewis, thank you very much. I think you've answered my question. I would make this comment. You have done more talking than anyone else on this floor this morning about the lack of the need of the Legislature to have control over what's going on because we have these granted, elected local boards that we have no problems with. Now you're trying to avoid telling me, but you have told me, that we have had a problem with over-reporting in order to self-serve themselves. I just wanted to make that point Senator Lewis.

PRESIDENT: Senator Mahoney.

SENATOR MAHONEY: At this point, Mr. President, may I ask for the question so we could vote on the Marvel amendment.

PRESIDENT: Question is, shall debate cease. Record your vote. Record.

CLERK: 28 ayes, 29 nays to cease debate.

PRESIDENT: Senator Marvel.

SENATOR MARVEL: I think the purpose of this is to simplify the definition for payment of state aid. If those who are worried about metro would refer to section 17, if they want to reinstate it if they'll feel better and put instead of in line 23 a full-time equivalent student, if they will put tuition income, Senator Goodrich is working on this. This might solve your particular problem. I move the adoption of amendment number 2.

PRESIDENT: The question is the adoption of Senator Marvel's amendment. Record your vote. Have you voted? Please vote. Record.

SENATOR MARVEL: Mr. President, I reluctantly ask for a Call of the House.

PRESIDENT: The question is, shall the House go under Call. Record your vote. Record.

CLERK: 27 ayes, 7 nays.

PRESIDENT: The House is under Call. All Senators take your chairs and record your presence. Sergeant-at-Arms see if we can get some . . . all membership here. Please record your presence. Senator Swigart, report. Senator Clark. Senator Frank Lewis record your presence. Senator Kime. Senator Maresh. Senator Koch. Senator Burrows. We're under Call, Senator Dworak.
